## **Expression of Interest for “Special Programme for Promotion of Integrated Farming in Odisha”**

Department of Agriculture & Farmers’ Empowerment, Government of Odisha is implementing a “Special Programme for promotion of Integrated Farming in Odisha” for the last 4 years in Malkangiri District with focus on comprehensive development of Agriculture, Horticulture, Livestock and Fishery sectors in the district in convergent mode through technology diffusion, establishment of community level institutions, integrated management of natural resources and use of organic inputs. Government of Odisha then extended this scheme to 4 more districts in pilot mode. Now the State Government is now extending this scheme to 4 more districts. Key features of SPPIF are protective irrigation, promotion of improved agronomic practices, crop diversification and intercropping, soil health management, custom hiring centres to reduce drudgery, community managed seed systems, promotion of vegetable cultivation for nutrition security, streamlining vaccination systems, Goat Shelter and poultry night shelter development, breed farms of indigenous birds, localized production of suitable fingerlings/yearlings, promotion of FPOs, etc. with farmer to farmer learning forming core implementation strategy.

### **Major Objective of the Programme**

1. Securing crops through protective irrigation for mitigating dry spells.
2. Promotion of crop diversification through intercropping, poly-cropping, crop rotation, and Adarsha Bagicha initiative.
3. Establishing the community managed seed systems to meet the diverse seed needs of farmers.
4. Taking up soil health management activities for rejuvenation of soils.
5. Documentation and evaluation of local landraces through Participatory varietal trials.
6. Promotion of vegetable cultivation at the household level for nutritional security and intensive clusters for income security.
7. Establishment of preventive health care systems for livestock to reduce mortality.
8. Promotion of desi poultry through breed farms and appropriate support systems.
9. Promotion of Goatery through shed construction and appropriate support systems.
10. Documentation and registration of indigenous livestock breeds.
11. Realizing fisheries potential in water bodies (seasonal and perennial) in numerous water bodies with seasonal and perennial water storage
12. Promotion of aggregation, processing, value addition and marketing of products of different production systems through farmer producer organisation.
13. Convergence with MGNREGA for NRM activities.

### Scale & duration of the SPPIF

Government of Agriculture & Farmers Empowerment Department has approved extension of SPPIF to 4 more districts namely Mayurbhanja, Bolangir, Kandhamal, & Kalahandi. This Expression of Interest is being floated for interested agencies (NGOs) for engagement as Facilitating Agencies. The SPPIF implementation blocks are as follows: -
